

Pothole Repair: Seasonal Plan

Plan permanent and temporary fixes around weather windows.

Spring

- Inventory all winter potholes with GPS / photos
- Schedule hot-mix permanent repairs
- Address ADA / liability hazards first

Summer

- Saw-cut, square, and patch with hot mix
- Compact in lifts for long-term durability
- Sealcoat patches after 30-day cure

Fall

- Final hot-mix campaign before plants close
- Stockpile cold patch for emergency winter repairs

Winter

- Cold-patch emergency holes; mark for spring re-do
- Track repair locations for permanent fix list
